

# Conical

## Smooth, Texture

### Ultra High Projection

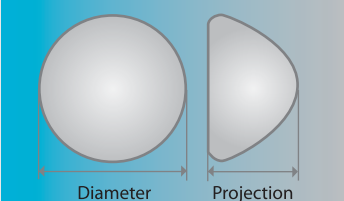

Breast & Gluteal Implant  

**BellaGel**

*Conical  
shape*

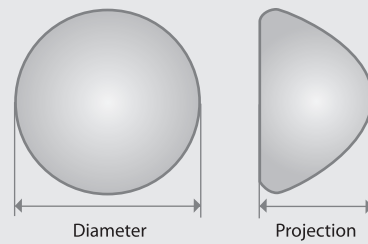

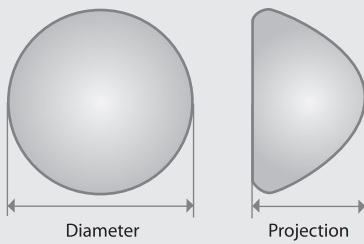

- *Cone shaped implant with 100% gel filling rate and firmer cohesive gel creates natural and younger appearance even under the gravity. Sharper bottom edge contour better fits to the shape of the surrounding tissue.*

#### Specification

| Picture  | Shape   | Surface           | Height | Projection | Volume     | Cat. No.  |           |
